What is a  
loving  
relationship?

A solid green circle containing the text "What kinds of loving relationships are there?".

What kinds  
of loving  
relationships  
are there?

# Do you know?

What words and phrases spring to mind when you think about these big questions?

What do you think of when you think of the term 'loving relationship'?

What different types of relationships can you think of?

With your talk partner, discuss what you know of the different loving relationships of the Prophet Muhammad.

# Let's consider

What loving relationships do you have?

Share your ideas and let's create a mind map

# Loving Relationships

A loving relationship can be between friends, members of a family or couples.

There are many types of loving relationships. We have different sorts of relationships with different people in our lives, at different times.

Whilst loving relationships may involve different combinations of people, they will all have some things in common.

With your talk partner, list things that you feel are important in a loving relationship.

# Loving Relationships

Discuss with your partner, the different elements of the loving relationships the Prophet Muhammad had with different people.

# Loving Relationships

Elements of a loving relationship – no matter who is in the relationship...

advice

commitment

help

time

respect

common goals

support

Which is most important?

# Let's consider

What loving relationships might we see in society?

Let's discuss.

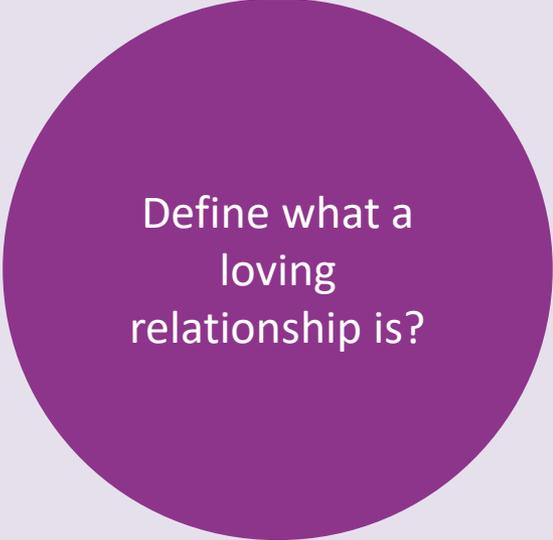

# Respecting others

Abu Hurayra (RA) reports that our beloved Prophet Muhammad said:

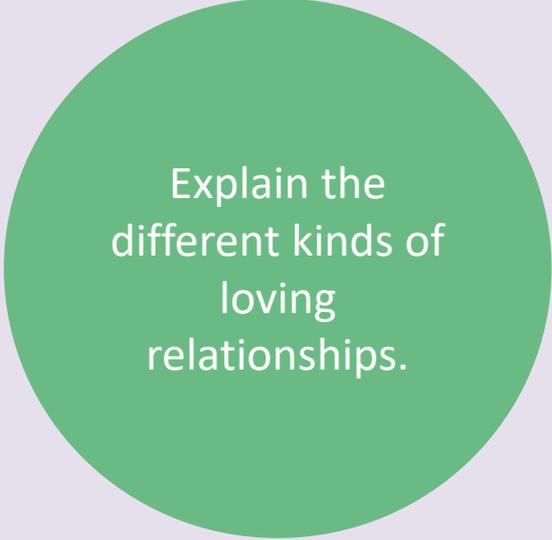

“The most perfect of people in faith are those who have the most beautiful character, who are gentle and kind to others, and are loving and endearing to others...”

(Mu'jam al-Tabarani)

# What have we learnt

A solid purple circle containing white text.

Define what a  
loving  
relationship is?

A solid green circle containing white text.

Explain the  
different kinds of  
loving  
relationships.
