

# Year 3 Curriculum Plan

## Autumn Term 1B

### English:

**Stories from other cultures:** Children have plenty of opportunities to explore Indian folk tales and myths, read **The Tiger Child** by Joanna Troughton, before performing their own oral re-telling and written adaptations. They will learn about adverbial clauses to make their writing more interesting and use commas to organize their writing.

**Instructions and explanations:** Children will learn about instructions and explanations. They will learn about features of explanations before going on to write their own.

**Humorous poems:** Children will enjoy these humorous poems about teachers which will inspire learning about powerful verbs, verb tenses, adverbs and adverbial phrases. Children use the poems they read as models for writing their own verses and poems.

**Poems from Around the World:** Children are immersed in a diverse range of festival and celebration poems from around the world.

### Maths:

**Understanding Place Value:** - recognise the place value of each digit in a three-digit number (hundreds, tens, ones) and compare and order numbers up to 1000.

**Mental Addition & Subtraction** - add and subtract numbers mentally, including a three-digit number and ones; a three-digit number and tens; a three-digit number and hundreds

**2D Shapes** - measure the perimeter of simple 2-D shapes, draw 2-D shapes and make 3-D shapes using modelling materials; recognise 3-D shapes in different orientations and describe them.

### Religious Studies:

What do signs and symbols mean in religion?

### Computing: Word Processing

### Humanities: The Mayans

Children will learn to explore where and when the remains of the Mayan civilisation were discovered. How they developed over time and they will find out about everyday life for the Mayan people. They will also explore Mayan writing and calendars.

### Science: Rocks, Fossils and Soils

Children will compare and describe different kinds of rocks. They will also describe how fossils are formed and have a go at making their own fossils. They will recognise that soils are made from rocks and organic matter.

### P.E:

Athletics

### Arabic:

Pets & Animals

### Islamic Studies:

**Qur'an:** Start Quran Juz 1 (5 sides)  
Tajweed: Ta'wudh and Basmala

**Fiqh:** Wudhu. Number of Faraid, sunan, makruhaat and nawaqid of wudu. Faraidh of Wudhu.

**Aqaid:** Qualities of Allah: Allah the Al Alim, Allah the Al Basir, Allah the Al Sami', Allah The One Al Ahad.

**Sirah:** The First Revelations and The Sermon on Mount Safa.
