Excellence Everyday

Our Mission

At Leicester Islamic Academy, we strive for excellence in all areas of academic and spiritual development. Through educating, enabling, and empowering young people, we are nurturing the leaders of tomorrow in our school today. The ethos of LIA is rooted in the principles of Islam, guided by the Qur'an and the Sunnah. We endeavour to provide a journey that fosters true iman in the hearts and minds of our pupils, staff, parents, and school community.

Our Vision

At Leicester Islamic Academy, every child develops a strong DEEN—we are a school where your child is:

Developing a social and emotional character that is resilient when facing challenges.

Educated to achieve their full academic potential, growing into a responsible British citizen who gives back to society through hard work and service.

Encouraged to have an inquisitive mind and a problem-solving outlook, enabling them to succeed in their chosen path. This, in turn, allows them to serve their family, the Ummah, and global society as a 21st-century Muslim.

Nurtured to develop a strong Muslim identity that instills confidence, belief, and actions leading to success in this life and the Hereafter, in sha' Allah.
